VOLUME LIII. NUMBER 11

The Railway Brotherhood are modest in their demands: all they ask is the earth with a neat red fence around it.

SOME papers are exclaiming "Where, O where, does Spencer stand?" He isn't standing, but hopping like a turkey on a hot griddle.

I TRULY hope the authorities may get the sugar profiteers. There are others who need legal attention, but somehow the punishment of the saccharine hogs peculiarly appeals to one's sense of justice.

WITH but one negative vote, the Democratic State Central Committee last Monday registered its dissent to Senator Reed's course on the League of Nations. And the Committee has the will of Missouri's Democracy behind it.

THERE is hope that the fellow who has been predicting \$15 shoes is going to miss his guess. Uncle Samuel, with a big family to provide for, is now looking after the thieves who are robbing us. The looter of a bank, compared to them, is a fair dealer and a good citizen.

THE National Republican Committee is out in a statement complimenting Senator Reed for his stand against the League of Nations and everything else that the President favors. This is but natural, but there is no excuse for the Committee's lie that a great majority of Mr. Reed's constituents are behind him in his course. At least nine out of every ten men who made him Senator are against him, and if he were to ask a vindication by re-election he would be overwhelmingly defeated. The Republican committee's falsehood, though, may serve its purpose in far-off commonwealths.

Des Arc Items.

We are getting dry again, but our crops look well.

It is getting very dry down around Charleston, Sikeston and New Madrid. The farmers there are growing a big lot of sunflowers. I saw hundreds of acres of them.

I was at Lilbourn and spent the night with my son and family. Business there is a little quiet. I met Winifred Stevenson and wife, nee Smith. She is a fine looking woman, and before her marriage was a teacher in the Lilbourn high school. I also saw Mrs. Morton, formerly Marie Stevenson. She drove down in their car. They have a lovely home at Cape Girardeau. Her husband is in the timber business on the Frisco and Cotton Belt railroads. I think his headquarters are at Campbell, in Dunklin county.

I stopped on my way to Flat River with my daughter, Mrs. Geo. W. Morris, in Farmington. I met there Jas. Morris' little daughter, 10 years old. Her name is Eugenia Morris. I told her she was named after one of the best women who ever lived in Des Arc. She was a regular Sister of Charity or Red Cross woman, as you may call her. She always visited the sick and poor. It made no difference who they were. She was a good Christian lady and loved by everybody.

Wm. Semands was struck by a "foul ball" while attending the ball game here Sunday. Dr. Jones, who was in town to see one of the little daughters of John Nations, was called to see him, and took several stitches in his mouth. He was unconscious for a while and his face is still badly swollen.

We had nineteen men at the cemetery working—only two from Des Arc, balance country men. We want to thank all those who sent a remittance—both from out of town and in town. We have two men working this week finishing up the work.

The Revival Meeting which was to have been held in the Baptist Church here was postponed owing to the serious illness of the minister's wife, who had suddenly suffered an attack of appendicitis.

Lieut. E. A. Reed arrived home last Tuesday from duty overseas, with an honorable discharge. He brought quite a few souvenirs and has many interesting stories to tell of his travels in Europe. We are glad to welcome him home. He is looking fine.

Corporal Everett J. Meyers has arrived in the U. S. A. from duty overseas. He came over on the "George Washington," the famous ship on which our President has made his trip over to Europe. He is stationed at Camp Mills, N. Y., and will receive his discharge about the 15th of this month. He will visit Des Arc, his old home, in the near future.

H. G. Harrison and Dr. N. A. Farr went to St. Louis Monday.

R. I. Stamp, P. A. Reed, Lieut. E. A. Reed and mother, were visitors at the Methodist Assembly Thursday to hear the Governor of Arkansas speak. Herbert Stevenson has gone to De-

triot, Michigan, where he has employment.

Mrs. A. E. Huff, and daughter, Miss Jessie, and Miss Hazel McKee, were Piedmont visitors Sunday.

J. D. Hickman and two little daughters from Bonne Terre are visiting his mother here.

Mrs. Salina Kitchell and children from Haleyville, Okla., are visiting her sister, Mrs. H. G. Harrison.

Miss Doris Cooper has returned to St. Louis, after a visit here with her parents.

Mrs. John Loyd is visiting her son at Lutesville this week.

Mrs. James Kitchell and children from Sherman, Texas, are visiting relatives here.

Grandma Stevenson celebrated her birthday on last Thursday. Her children prepared a big dinner for her and they had it spread under a large tree in the yard. A large birthday cake was baked and all enjoyed the day. She was 72 years old. May she live to enjoy many more birthdays.

We are glad to hear that our sailor boy from Des Arc, Jesse B. Jackson, has arrived in port at San Diego, Cal., and has had a wonderful trip with the Pacific Fleet being out 19 days on a sight seeing trip. He has had a wonderful experience and we are looking forward to hearing him tell us about it soon. He thinks he will get home about October 1st.

Howard O'Neal, son of J. S. O'Neal, who is with the Marines, has arrived in Norfolk, Va., from duty overseas. He expects to get home about the 15th.

D. A. Worley is still blasting in his well and says he will keep it up until he gets lasting water.

Alfred Loyd is still going down in the rock at James Slusher's well. He found surface water at ten feet.

Ed Most has sold out his half interest in the mill on Black river to his partner, Robert Mann. Mr. Moss will buy a half interest in the mill of Frank Sanders, also on Black river.

John L. Marshall, of Ironton, as spy as a boy sixteen years old, is in Annapolis assessing.

John T. Webb was on Black river fishing the past week, but the catch was small.

Ed Reed, one of the Des Arc boys, was here to-day, secured a horse of John T. Webb, and rode out east of Annapolis.

Florence Deborde accompanied her son, Emmett Warmack, to Flat River to-day, and may move up there.

Jesse Crook and wife are having trouble with one of their neighbors, who is carrying concealed weapons. They applied to the Justice of Peace at Annapolis for a warrant, but were refused on the grounds that he never hears from an affidavit after it is sent to the proper authorities at Ironton.

These parties have been having trouble for more than a year and action should be taken before some one is hurt.

Sam Moss has returned from a visit to his brother, Jeff, at Piedmont.

Wm. Moss will soon move to Sinking Creek, where he has located his saw mill.

Born—To Sylvester and Dicy Kitchell a girl weighing 11 lbs. The Squire is put to his studies how to feed eight children while provisions are so cheap. Mother and babe are doing well. The old Squire wants to thank the good ladies of Annapolis for kindness and care shown his wife.

Dave Lewis is hauling lumber to-day from Black river mills.

Mrs. Chas. Hampton came near dying Saturday evening from a smothering spell.

I understand there is no "wool pulling" in Des Arc, yet they have to apply for a warrant for a young lady's threat, and on paying costs, and listening to a lecture from their Justice of the Peace, Lashley, and the prosecutor, was allowed to go home.

Mrs. Harriet Dale.

(Fredericktown Democrat-News.)

Mrs. Harriet F. Dale, wife of John Dale, died at her home on Mine La Motte Avenue Friday afternoon of last week. She had been growing gradually weaker for several weeks and it became evident early last week that she could not be spared much longer.

Mrs. Dale, whose maiden name was Nall, was 50 years, eight months and twenty-six days old. Besides the husband she is survived by six children: Walter, of San Antonio, Texas; Eugene, George, Julia, Lucille and Mrs. George Hull of this place.

The funeral services were held at the Presbyterian Church Sunday afternoon and burial was in the Masonic Cemetery. All the children were present and were two brothers, W. W. Nall of St. Louis and H. A. Nall of Jefferson City. Dr. Hull of Marquand was also present.

The family has the sympathy of all in their bereavement.

A Birthday Celebration.

Crane Pond had another birthday last Monday. As it had been some time since an anniversary had been celebrated on Crane Pond the whole neighborhood gathered at the home of Mr. Houston Seals Monday night to do honor to his son, Eugene, who was 38 years young that day. As the next day was the birthday of Mr. Seals' daughter, Miss Ella, who is just ten years older than her brother, Eugene, all agreed that they were having a double celebration.

The evening was very pleasantly spent with music and singing. The organ having been taken to the yard all raised their voices to the blue sky.

At eleven o'clock tables were spread in the yard and the ladies who had brought cakes served cake and coffee. Two boxes of fine peaches that had been presented Mr. Seals were also served. The ladies who furnished the cakes were: Mrs. Joe Selinger, Mrs. S. E. Reed, Mrs. Ruth Thompson, Mrs. Nettie Pannebecker and Miss Alice Seals.

At a late hour all left wishing Mr. and Mrs. Seals many more happy birthdays and agreeing it to be a most enjoyable evening.

Those present were: Mr. and Mrs. Joe Selinger and family, Mrs. S. E. Reed and family, Mr. and Mrs. Geo. Thompson and daughter, Mr. and Mrs. Chas. Pannebecker and family, Mr. and Mrs. Blanton and family, Mr. and Mrs. Chas. Medlen and family, Misses Nellie Reed, of Ironton, and Nettie Campbell, Messrs. Guy and Gilbert Miller, Odie Thompson and Chas. Iveyter.

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c. F. J. CHENEY & CO., Toledo, O. Advertisement.

Seemed Incomplete.

A new baby had come to the home, and the neighbors' little ones were allowed to come in to see him. A little one looked him over generally, then moved down to the bottom of the long dress and, quite puzzled, asked, "Ain't he dot his feet yet?"

The Shah's Share.

If the Shah of Persia were to be deprived of his income he would still be one of the richest men in the world. He would only have to sell his ornaments, gems, and precious stones to become possessed of about \$35,000,000.

Zoological Notes.

Another thing we can't understand is how a woman can be a perfect cat and yet be scared to death of a mouse.
